

# Official Formal Statement

## Official Full Company Profile for Authentication

**Full English Name:** SENOVA TECHNOLOGY CO., LTD

**Full Chinese Name:** 深圳尚诺生物科技有限公司

**D-U-N-S Number:** 418 616 356

**Address:** Room 1909, Tower A, Shangmei International Building, 1355 Liuxian Avenue, Nanshan District, Shenzhen, China, Post Code: 518055

**Tel:** +86-755-3337 2138 / 3337 2139

**Official Website:** [www.senovatech.com](http://www.senovatech.com)

To safeguard the legitimate rights and interests of our global partners and standardize market operation, we hereby issue this formal statement as follows:

## 1. Exclusive Legal Entity Confirmation

Only the enterprise with the full name, registered address, D-U-N-S number and contact information listed above is the authentic SENOVA entity. Any entity or individual with similar names, inconsistent addresses or unauthorized contact information has no shareholding, business or authorized relationship with our company. All their commercial activities shall not be deemed representative of SENOVA TECHNOLOGY CO., LTD, and we shall bear no corresponding commercial or legal liabilities.

## 2. Compliant Business Scope Notice

SENOVA TECHNOLOGY CO.,LTD focuses on fully compliant global pharmaceutical raw material trade, with GLP-1 API as our core product line.

**Important Restriction:** For countries and regions under patent protection restrictions, we only supply GLP-1 API exclusively for laboratory research purposes.

We never distribute any other forms of GLP-1 products, including finished formulations, peptide solutions, lyophilized vials or injectable finished drugs. No finished or repackaged GLP-1 products are available from our company.

### **3. Warning Against Unauthorized Impersonation & Official Verification Channels**

Recently, certain third-party individuals and organizations have illegally used the "SENOVA" brand and our corporate name to conduct irregular commercial activities, which may mislead clients and bring severe transaction & customs compliance risks.

Before proceeding with any cooperation, quotation or supply offers claiming to be from SENOVA, please verify authenticity via our exclusive official channels:

- ① Official Website: [www.senovatech.com](http://www.senovatech.com)
- ② Official Verification Email: [info@senovatech.com](mailto:info@senovatech.com)
- ③ Official Landline: +86-755-3337 2138 / 3337 2139

### **4. Legal Liability Reservation**

We have fully collected evidence against any parties that illegally impersonate our company name and brand for business operation. **We reserve all rights to pursue full civil, administrative and even criminal liabilities** through regulatory authorities and legal counsel, both domestically and cross-border. All global partners are reminded to strictly verify counterpart information to prevent financial losses and import/export compliance violations.
